

## ASR Holdings receives top votes among IFA China Finalists

2011-05-23 12:05:03

HONG KONG, May 23 (GCTL) - [ASR Holdings Limited](#), comprising a group of firms involved in logistics and forwarding services as well as general sales agent activities, received the highest number of votes among all IFA China Finalists, and won the South China Independent Forwarder - Air Award at the International Forwarders Awards China 2011 held in Ningbo, Zhejiang province on May 19, 2011.

GCTL8.com, China Logistics Club and The Freight Summit, which organised the IFA China 2011 event, said ASR obtained the highest number of votes among all the finalists in 14 categories of the IFA China 2011 through an independent voting system by its agents and customers in recognition of its contribution to service excellence to the global logistics industry.

Michael Wong, Group General Manager, Corporate Performance Management, ASR Holdings, (left) received a Crystal plaque and a certificate from Henrik Christensen, chairman of the China Logistics Club. See Special Report for more about IFA China 2011 in pictures.
